17. In the case of an application for an agent's licence or for a salesman's licence by any person who was the holder of an agent's licence or a salesman's licence, as the case may be, on the first day of January, 1938, the Superintendent shall refer the application to the Board for investigation if a complaint has been made to him, or, having been made to the Board, has been communicated to him by it, alleging that the applicant has not during the period of his last licence held himself out

publicly and carried on business in good faith as an agent according to the usual and proper practice of the business of insurance, or that he has violated any provision of the Act or any regulation made pursuant to the Act, or that he has been guilty of dishonesty, fraud, or misrepresentation in connection with his business of insurance, or has shown by his conduct as an agent that he is incompetent or untrustworthy. The Board shall thereupon make such investigation as it may think proper, and shall also hold a hearing, if the Board thinks a hearing desirable or if a hearing is requested by the applicant. The Board shall report in writing its finding to the Superintendent, together with such recommendation as the Board may think proper and the reasons therefor.

18. Upon receipt of an application for an agent's licence or for a salesman's licence by any person who was not the holder of an agent's licence or a salesman's licence on the first day of January, 1938, the Superintendent shall notify the secretary of the Board of such application, and the Board shall thereupon make such investigation as it may think proper, and also hold a hearing if the Board thinks a hearing desirable or if a hearing is requested by the applicant. The Board shall report in writing its finding to the Superintendent, together with such recommendation as the Board may think proper and the reasons therefor.

19. In case a temporary licence is issued to any applicant, the Superintendent may, before extending the licence, request the Board to make such further investigation in regard to the applicant as may seem advisable, and to report in writing its finding to the Superintendent, together with such recommendation as the Board may think proper and the reasons therefor.

20. The Superintendent of Insurance may, if he sees fit so to do, refer to the Board any application for an agent's licence or a salesman's licence, and shall, if requested so to do by the Board, refer to the Board for investigation any act or matter on account of which a licence may be suspended or cancelled under section 221 of the Act. The Board shall thereupon make such investigation as it thinks proper, and shall also hold a hearing if the Board thinks a hearing desirable or if a hearing is requested by the licensee. The Board shall report in writing its finding to the Superintendent, together with such recommendation as the Board may think proper and the reasons therefor.

21. The Board shall have the like powers as the Supreme Court of British Columbia for compelling the attendance of witnesses at a hearing, and of examining them under oath, and compelling the production and inspection of books, documents, and things, and may in its discretion accept and act on evidence by statutory declaration, and may adjourn the hearing from time to time, and any member of the Board may administer oaths to witnesses.

22. The Superintendent may, with or without such further investigation or hearing as he may think proper, act on any recommendation submitted to him by the Board.

23. In any city or municipality having a population of not less than 25,000 any applicant for a first licence as an insurance agent or as a salesman may, if the Board so recommends, be required to pass a written examination as to his knowledge of the insurance business. The examination shall be conducted under the supervision of the Board, and the Board shall forthwith make a report of the examination to the Superintendent.

24. Every person licensed as an agent or as a salesman shall, if required by the Superintendent so to do, furnish to the Superintendent a list of all persons to whom he has, directly or indirectly, paid or allowed any commission

or other compensation or thing of value in connection with insurance business, in such form as the Superintendent may prescribe, and the Superintendent may require the statement to be verified by affidavit or statutory declaration. No information furnished pursuant to this regulation shall be disclosed by the Superintendent to any person except in pursuance of his duties as Superintendent.
